At www.inplainsightfilm.com/promo, we have screen slides and a handout that informs attendees of the projects and how they can "text to give" right on the spot or on their computer later on. (Fundraising at the screening for other organizations is acceptable.)

SCREENING CHECKLIST & GUIDE

DETERMINE A TICKETING PROCESS

Depending on your audience and venue, you may or may not want to require tickets. Although you can charge for tickets in order to raise money for the cause, we encourage free screenings. Here are several options...

- No Ticket Required** - simply invite people to show up.
- Online Ticketing** - require people to get an online ticket for free in order to know how many people are coming. TicketSpice.com is a great resource that we recommend!
- Paper Ticketing** - hand out tickets through your organization.

PROMOTE THE SCREENING

Although each organization has a different process of communicating events, we have found that a minimum of 3-4 weeks is required to rally an audience to enjoy the documentary. If you're a church, non-profit, or business, you will want to use your normal forms of marketing and communication. Here are some ideas...

- Email Blast** - use the IN PLAIN SIGHT web graphics to announce your screening.
- Your Website** - embed the IN PLAIN SIGHT trailer and link to www.inplainsightfilm.com.
- Social Media** - spread the word via Facebook, Twitter, Pinterest, and Google+.
- Facebook Event** - create a Facebook event (www.facebook.com/events) to invite your friends.
- Press Release** - modify the IN PLAIN SIGHT press release to email your event announcement to local media.
- Flyers** - modify the IN PLAIN SIGHT flyers to give to your organization as an invitation tool.
- Screen Slides** - use the IN PLAIN SIGHT screen slide at your church or upcoming meeting.
- Trailer** - download the IN PLAIN SIGHT trailer to show your church or at an upcoming meeting.
- Movie Poster** - print and post the IN PLAIN SIGHT movie poster in high-traffic locations.

HOST THE SCREENING

This is a sample flow of a screening, but you will want to plan an event that resonates most your organization...

- Environment** - eye-catching decor and soft background music.
- Greeters** - welcoming guests to the event.
- Refreshments** - coffee, water, and light appetizers available to guests.
- Ushers** - helping people find a comfortable seat.
- MC** - welcomes everyone to the event and explains why the screening is being hosted.
- Film Screening** - ensure that the lighting is dimmed and the sound is at an appropriate volume.
- Post-Screening** - a great time for a panel discussion, small group discussion, or reflective music.
- Raise Money** - support the work of one of the aftercare homes in the film by raising money.
